Africa in Struggle: David Paul 1960

National Liberation Movements as Environment in Africa Today (1987). This book looks at the formation of liberation movements in Africa, focusing on the role of external factors. It explores the ways in which liberation movements in Africa have been shaped by their environment and the challenges they have faced in their struggle for independence.

the books that made the book available. You could also apply this to the book edition you have and compare it to the one that you are discussing. This will give you a good indication of what has been changed and why. This is an important step in understanding the context of the book you are reading and how it may have been influenced by the changes that have occurred.
