The Irish Legal System for Beginners-Teresa M. Clyte 2017-06-14 This Introduction to Irish law booklet is a
hugely little number, it is compiled so that the most difficult and challenging terminology, rules and principles are
explained, leaving you to enjoy learning about the law in Ireland without the headache of first learning
terminology and confounding principles. Law and the legal system are at the heart of all aspects of life in Ireland,
from buying a cup of coffee on the way to work to investing in your first (or any) home, getting a job to opening a
new business, law surrounds our every move, yet most people living in Ireland are unaware of its impact on their
daily lives. The first time most people encounter the law is either, in a small civil matter, like contract issues, or
minor road traffic offences, such as parking illegally or speeding etc. This basic introductory booklet is just that, a
layman’s guide, it is not meant to be an academic text book, it is merely a guide, however, saying that, many first

task of learning the terminology once they come to gripes with the principles. There is a self-test MCQ at the end of
the book AND answers. **Warning; another disclaimer ** This booklet has at its core, terminology which is
